If any member requests, any matter to be polled shall be held for meeting rather than being polled. The chief clerk of the committee shall keep a record of all polls.

RULE 7—SUBCOMMITTEES

8.2 Subpoenas.—The Chairman, with the approval of the ranking minority member of the committee, is delegated the authority to subpoena the attendance of witnesses or the production of

memoranda, documents, records, or any other materials at a hearing of the committee or a subcommittee or in connection with the conduct of an investigation authorized in accordance with paragraph 8.1. The Chairman may subpoena attendance or production without the approval of the ranking minority member when the Chairman has not received notification from the ranking minority member of disapproval of the subpoena within 72 hours, excluding Saturdays and Sundays, of being notified of the subpoena. If a subpoena is disapproved by the ranking minority member as provided in this paragraph the subpoena may be authorized by vote of the members of the committee. When the committee or Chairman authorizes subpoenas, subpoenas may be issued upon the signature of the Chairman or any other member of the committee designated by the Chairman.

Such notices shall specify a time and place for examination, and the name of the Senator, staff officer or officers who will take the deposition. Unless otherwise specified, the deposition shall be in private. The committee shall not initiate procedures leading to criminal or civil enforcement proceedings for a witness' failure to appear unless the deposition notice was accompanied by a committee subpoena.

8.4 Procedure for Taking Depositions.—Witnesses shall be examined upon oath administered by an individual authorized by local law to administer oaths. The Chairman will rule, by telephone or otherwise, on any objection by a witness. The transcript of a deposition shall be filed with the committee clerk.

The changes shall become effective immediately upon publication of the changed rule or rules in the Congressional Record, or immediately upon approval of the changes if so resolved by the committee as long as any witnesses who may be affected by the change in rules are provided with them.
